A.Beart (196) and N.Royle (166) of Uppingham were disqualified for again using C & S cards (as in the first two stages) instead of 1966 cards as clearly specified on the stage 2 result sheet.

M.Shearman and W.Hearne of Old Swinford went home early so were not able to shoot in the final.

Congratulations to Latham on a fine shoot under the pressure of the final. It is grand to see two girls among the leaders. Although Miss Fielding tied with her in the final, Miss Lennane took the girls' spoon by virtue of a better total in the first two stages.

Hadlow also received a spoon for second place and the next four win medals.
