Congratulations to Greshams A Team on winning the Team of Eight Trophy with an excellent score, equalling the record once again. There was a high standard in this year's Final, with a total of 24 possibles, and 23 who dropped just one point, which is an improvement on the the 16 possibles and 31 99's we had last year.

My thanks to you all for trying to send in your cards so promptly. I hope you all have a very Happy Christmas, and good shooting in 1989.
