WITNESS'S CERTIFICATE

INDIVIDUAL or TEAM:

The Witness should read this certificate before shooting begins and initial any necessary alterations.

INSTRUCTIONS

Absolute accuracy of certificates by witnesses is essential.

If anything should occur which precludes the signing of a certificate as printed, e.g. such as the temporary absence of the witness during shooting, the terms of the certificate must be altered to correspond with the facts. If a deputy officiates during the temporary absence of the witness, his deputy should sign the certificate for the particular periods of time concerned, the text being altered accordingly.

CERTIFICATE

I certify upon honour that:

1. I was present on the range throughout the shooting and witnessed the above mentioned
*Team/*Competitor shoot his/her/their card(s)
2. I satisfied myself that the range was *15/*20/*25 yards/metres long from the front edge of the firing
point used by the competitor to the targets. **Delete whichever is not applicable*
3. The rifles and sights complied with the conditions of the competition.
4. The stickers were applied to the **back of a diagram** before the target was fired.
5. All the cards were fired within the period allowed for the shoot according to the conditions of the
competition.
6. I saw the competitor(s) sign his/her/their cards immediately after the shoot.
7. I signed and dated each card after the shoot.
8. No artificial rest of any kind was used.
9. Slings, gloves, padding, mats and shooting positions conformed to NSRA rules
10. The shot holes have not been gauged or otherwise interfered with.
11. To the best of my belief the whole of the conditions of the competition were faithfully carried out in a
sporting manner.

**N.B. THE WITNESS IS RESPONSIBLE FOR THE CUSTODY OF THE TARGETS DURING AND AFTER
THE SHOOT AND TO SEE THAT THEY ARE SEALED READY FOR DISPATCH.**
